GOOGLE CLASSROOM

BVCS Distance Learning Plan

What is Google Classroom?

Google Classroom will be the platform for all BVCS Distance Learning classes. Teachers will use Google Classroom to share all content to include instructional resources, assignments, and assessments.

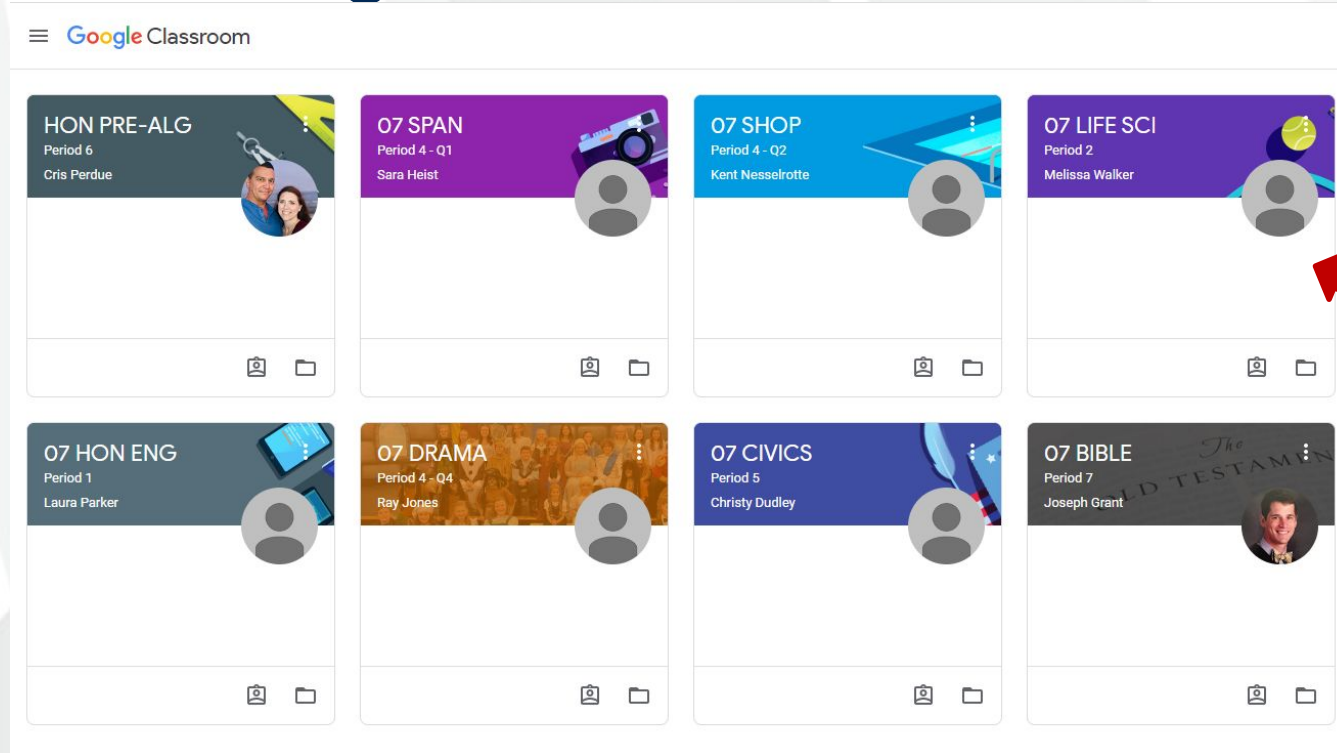

Download the Google Classroom app from your app store!

Getting Started

1. Using any browser, go to www.classroom.google.com
2. Sign in with your child's username and password. User name will be their bvcs issued gmail account, it ends in @bvcs.org.
3. Kindergarten and first grade login info, check with your child's teacher.

Getting Started

4. Students will see their classes loaded into Google Classroom.

Click to open the specific class.

Navigating Classroom

The screenshot shows the Classroom app interface. At the top, a dark blue header contains the title 'Navigating Classroom'. Below the header, a navigation bar features several icons: a menu icon (1), a class icon (2), a stream icon (3), a classwork icon (4), a people icon (5), and a grades icon. On the right side of the navigation bar are a settings gear icon (6), a grid of app icons (7), and a user profile icon (N). The main content area displays the class '01 PHYS ED' by 'McHaney' with a class code 'e27nwpg'. Below this, there's a section for 'Upcoming' assignments (8) showing 'No work due soon' and a 'View all' link. A sharing bar allows users to 'Share something with your class...'. Below the sharing bar, two posts from 'Georgette Joyner' are visible: 'Video 1' (9) posted at 8:26 AM and 'Playing Card Fitness' posted at 8:17 AM. At the bottom, a legend identifies the numbered callouts: 1. Menu of classes, 2. Current class, 3. Announcements page, 4. Assignments, 5. Teacher(s) and classmates, 6. Waffle button (app directory), 7. Your account, 8. Upcoming assignments, and 9. Updates from your teacher.

Weekly Plan

All classrooms begin with a First Stop topic, which holds the weekly assignment grid or newsletter.

Class content for the week is available each Monday morning.
Elementary by 8 a.m.
JH/HS by 10 a.m.

Other topics may be available to organize material and assignments.

Weekly assignment grids or newsletters will list all assignments for the week, where to find the lesson information, due dates, and turn in directions.

Various grade level newsletters will have links in the newsletter to videos, worksheets, and other information.
