Lema	This week in science the students will be working on their end of the year presentations. These presentations are their "final" as well. There is no more new material being covered and they will find their presentation assignments in the classroom . They will be building a 12 slide presentation that will be populated by the information they learned throughout the distance learning season. There will be open zoom meetings on Tues, Weds, and Thursday that the	Monday: Final Project	Tuesday: Final Project There will be open zoom meetings on Tues, Weds, and Thursday that the students can enter if they have any questions regarding their final work.	Wednesday: Final Project There will be open zoom meetings on Tues, Weds, and Thursday that the students can enter if they have any questions regarding their final work.	Thursday: Final Project There will be open zoom meetings on Tues, Weds, and Thursday that the students can enter if they have any questions regarding their final work.	Friday: Final Project

	students can enter if they have any questions regarding their final work. This project should take no more than a few hours to complete and they have the entire week to finish it.
